## QUARTER 1 REPORT – SPIRIT OF DAVID PROJECTS

The Spirit of David Projects was put on temporary hold in Quarter 1 based on instructions from the Chief Coordinator, the instruction this year is to take a “different way” and the Projects are no exception. There will be individual Project months starting from May and every member of the club will be a member of the “project in focus” for that month.

Planning for the year has commenced on the various projects as meetings and discussions have been held with project heads. Preliminary plans have commenced and merged into the overall project calendar.

The following pages outline the project calendar for the year 2011.
