# History/Back Story

This generation demands a passionate, high-octane delivery of God's love and His Word. Since 1997, Spirit of David has presented dance-drama through unique, professional and anointed routines and shows. We began to redefine dance and use it to glorify God in a way no one else has.

What started in the Obafemi Awolowo University, Ile-Ife on a rainy friday night with only 7 people, has in 19 years attracted over 2000 members, held 92 shows in 41 cities around the world and seen hundreds receive God's grace and salvation.

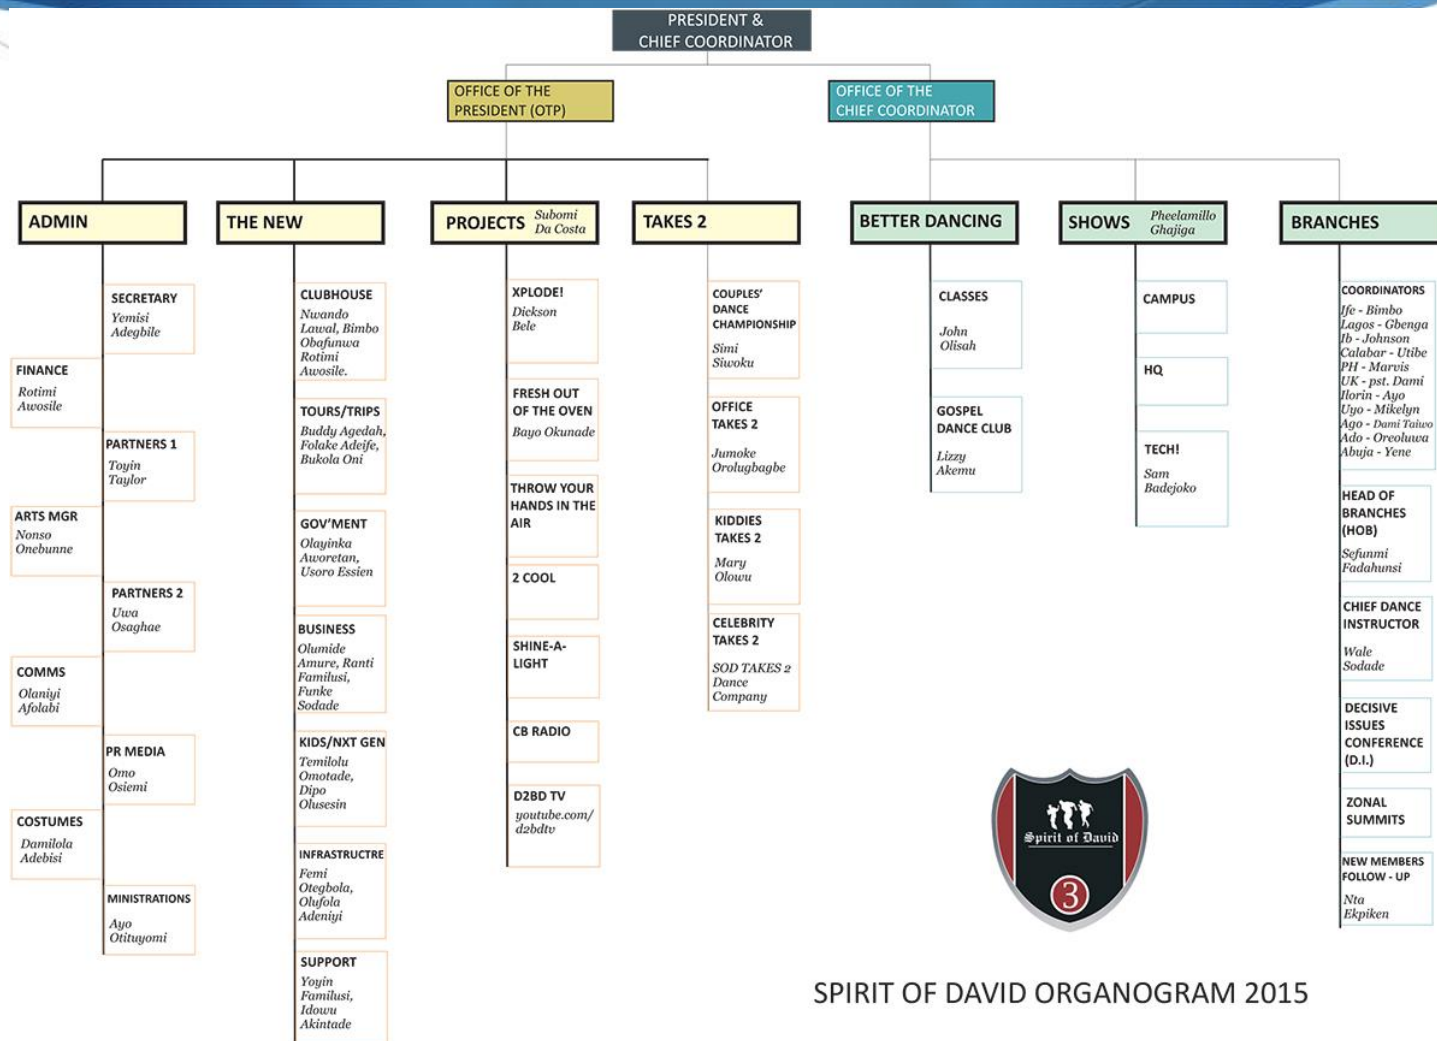

# What God Has Done

- ◆ In 2002, we completed the first ever tour of a gospel dance troupe in Nigeria, visiting 12 states including Zamfara!
- ◆ The club also successfully broadcast two seasons of the award winning TV reality show, Celebrity Takes 2 that saw over 20 million people around the world watch us present creative dance routines with celebrated Nigerians.
- ◆ In 2012, Spirit of David toured 2 continents and 10 countries with relevantly themed, gospel dance shows. We held performances in Valencia, Aberdeen, Ouagadougou, Johannesburg, The Hagee and Mombasa to mention a few.
- ◆ With 7 Couples' Dance Tournaments staged, 10 National Conferences, 9 October 1 Independence Day productions and 92 unrepeated shows, Spirit of David's performance records in the field of arts and the gospel are simply unmatched.

# Structure & Systems

Spirit of David believes in proper planning and preparation through systems and structures that are defined and aimed at maximum efficiency.

# Leadership

**Segun Lawal** is the President & Chief Coordinator of the Spirit of David, Gospel Dance Club and has been since inception in April 1997. He has spearheaded the organisation's multiple events and performances over the last nineteen years and has well over 350 professional staged appearances, scripting over forty theatrical productions.

He graduated from the Obafemi Awolowo University in 1997 as an accountant.

In 2003, He was appointed the Vice Chairman of the Society for the Performing Arts in Nigeria, where he managed twenty two dance performances and shows until 2009 and was pivotal in setting up the academy that turns out professional dancers to date.

In March 2008, Segun was selected by the United States Department of State; Bureau of Education and Cultural Affairs and the John F. Kennedy Center for the Performing Arts to participate in an International Cultural Exchange Fellows Mentoring Program for Performing Arts Managers. After which, he was awarded the prestigious Fellow of the Kennedy Centre for the Performing Arts, Washington DC.

In Spirit of David, his role includes managing the branches through the coordinators and overseeing all administrative functions. As a pastor, he also offers Biblical counsel and teachings to members – especially as it relates to the mission.

# What We See

- ◆ **We see you as a member of Spirit of David.** You may not necessarily feature on stage (and even *that* is debatable!) but your support is critical to even having a stage to present on.
- ◆ We see you as hands-on...featuring in our projects and *we in yours.*
- ◆ We see you prayerfully fulfilling the great commission with us and providing a life and lifestyle young people today can emulate and set as an example for generations to come!

# About Gratitude

- ◆ Spirit of David's Partners' Club has a desire to see individuals, groups and corporations support our cause, knowing our intentions are simply to impact young lives and grant the opportunity to excel in what God has ordained for them.
- ◆ The testimonies of changed lives abound in this club and span countries and continents. We would like you to support us

by seeing to it that we can continue to be challenge the norm and provide performances and productions that are unique, professional and anointed!

Apart from what forms our typical funding allocations, Gratitude has identified 2 major projects SOD has earmarked for 2017.

# 2017 SHOWS

- ◆ **“Glimpse”** – The 1<sup>st</sup> October Show, is the highlight of the Spirit of David calendar year. Being Nigeria’s independence day, the club deliberately presents messages of hope and freedom in our society addressing key issues such as incarceration, terrorism and social inequality.
- ◆ **“Kaleidoscope”** – This show, slated for November will be staged in Atlanta, Georgia, USA. The call to stage a show about disadvantaged communities as performed by members of these communities, has been a burning passion for several years.

We are constantly seeking fresh and dynamic ways of reaching this generation with the gospel of Jesus Christ! We desperately want people to be free and live in that grace and peace that only the Lord guarantees.

All these missions have become capital intensive and though most of it has been accomplished out of pocket, the need to step up our funding streams has grown exponentially.
